

## **ANNOUNCEMENT OF ACADEMIC POSITIONS**

***University of Cyprus. Excelling with the excellent.***

The University of Cyprus was officially founded in 1989 and started operating in Nicosia, the capital of Cyprus, in 1992. Within a short time, the University of Cyprus managed to achieve international recognition through an impressive course of development. Today, it is ranked 52<sup>nd</sup> young university (under 50 years) and #351-400 worldwide by the Times New Higher Education Rankings.

These great distinctions are the result of our dedication to excellence and continuous development. The University of Cyprus managed to stand out and receive awards for the new paths it has opened up in particularly demanding and dynamic contexts of research.

The University of Cyprus becomes better every year; therefore it wishes to attract the best academic staff.

To this end, the University constantly develops its programs of study and recruits high-caliber faculty who will contribute significantly to the design of new curricula, both at undergraduate and graduate level. One of the strategic aims of the University of Cyprus is the further promotion and development of research, in which new academic staff are expected to play an essential role.
