

ANNOUNCEMENT

Announcement of Post Graduate Positions and Scholarships "Evagoras and Praxandros"

The School of Postgraduate Studies of the University of Cyprus has announced the new postgraduate positions for admission in the 2019/2020 winter semester as well as a number of scholarships addressed to newcomers.

The Postgraduate School has distributed to the Department of Chemistry two full scholarships (i.e. tuition fees and an annual stipend of equal to €8.000) and a partial scholarship (full tuition fees) to students who will be admitted to the Doctoral program. Also, a full scholarship was distributed to the Department to a student who will be admitted to the Master's degree.

You will find the announcement in the link below as well as the relevant information regarding the scholarships.
