**General information:**

**Name:** Pavlos Ioannou MSc, PhD (Cand)

**Address:** PhD student at the department of Biological Sciences, University of Cyprus

Member, Molecular Medicine Research Center

Faculty of Pure and Applied Sciences

University of Cyprus

Tel: 22-892882

**E-mail:** pioann04@ucy.ac.cy

**Date and place of birth:** July 31,1991 Cyprus Origin: Larnaca

2009: Graduated, Larnaca Archbishop Makariou High School, LARNACA (CYPRUS)

2009-2011: Military service in the National Guard of Cyprus

**Advanced Education**

2019 - Present: **Phd. Student**, Graduate School of University of Cyprus, Department Biolocal Sciences, Program in Biomedical Sciences, NICOSIA, (CYPRUS) Mentor: Constantinos Deltas, PharmR, PhD. Professor of Genetics

2017-2019: **MSc. Degree**, Graduate School of University of Cyprus, Department Biolocal Sciences, Program in Biomedical Sciences, NICOSIA, (CYPRUS) Mentor: Constantinos Deltas, PharmR, PhD. Professor of Genetics

2011-2016: **B.Sc. Degree**, Medical Laboratory Technologist from Faculty of Health and Caring Professions, Department of Medical Laboratories. University of Applied Sciences of Athens (TEI of Athens), ATHENS (Greece)

### **Professional Career**

2016: **Professional Experience**, Medical Laboratory Technologist in Clinical Microbiology Department. Laboratory: A. Evangelou Biodiagnostic, LARNACA (CYPRUS)

2016- : **Placement** Medical Laboratory Technologist in General Hospital of Larnaca, LARNACA (CYPRUS) Laboratories: Microbiology and Blood Transfusion

2015-: **Placement**, Medical Laboratory Technologist in "Hippocratic" General Hospital, ATHENS (Greece) Laboratories: Hematology and Histopathology

2014-: **Placement**, Medical Laboratory Technologist in General Hospital of Larnaca, LARNACA (CYPRUS) Laboratories: Hematology

2013-: **Placement**, Medical Laboratory Technologist in General Hospital of Larnaca, LARNACA (CYPRUS) Laboratories: Biochemistry and Immunology-Immunochemistry

### **Scholarships**

2012-2015: Scholarship from the GEORGE AND KAITY DAVID Foundation, Cyprus

2012-2013: Granting housing allowance from the Ministry of Education, Research and Religious, Greece

2012-2019: Scholarship from the State Scholarship Foundation, Cyprus

2012-2019 Student scholarship from the Ministry of Education and Culture, Cyprus

2018-2019: Scholarship from the A. G. Leventis Foundation

## **Postgraduate Training**

Workshop on 'Introduction to statistical analysis and visualization of biological data using R/ Rstudio instructed by Giorgos Kokkoris. March 27-30, 2017 at the University of Cyprus NICOSIA, (CYPRUS)

## **Poster Presentation**

Christoforos Odiatis, Isavella Savva, **Pavlos Ioannou**, Myrtani Pieri, Dorin-Bogdan Borza, Petros Petrou, Gregory Papagregoriou, Neoklis Makrides, George Nikolaou, Constantinos Deltas. Description of mouse models for Alport Syndrome and preparation for a preclinical study with repurposed chaperones. 6th International Conference of the Cyprus Society of Human Genetics, November 24-25, 2017

**Pavlos Ioannou**, Christoforos Odiatis, Kyriaki Antoniadi, Isavella Savva, Myrtani Pieri, Dorin-Bogdan Borza, Petros Petrou, Gregory Papagregoriou, Neoklis Makrides<sup>5</sup>, George Nikolaou, Constantinos Deltas. Biochemical, pathological and ultrastructural studies of a mouse model of Alport syndrome. 7th International Conference of the Cyprus Society of Human Genetics, December 7-8, 2018

Christoforos Odiatis, Isavella Savva, Myrtani Pieri, **Pavlos Ioannou**, Petros Petrou, Gregory Papagregoriou, Kyriaki Antoniadou, Neoklis Makrides, George Nicolaou, Dorin-Bogdan Borza, Kostas Stylianou, Constantinos Deltas. Phenotypic characterization of two mouse models for Alport Syndrome. 56th ERA-EDTA Congress June 13-16, 2019 Budapest, Hungary

Christoforos Odiatis, Isavella Savva, Myrtani Pieri, **Pavlos Ioannou**, Petros Petrou, Gregory Papagregoriou, Kyriaki Antoniadou, Neoklis Makrides, George Nicolaou, Dorin-Bogdan Borza, Kostas Stylianou, Constantinos Deltas. A Col4a3-Gly1331Glu substitution mutation in mice recapitulates late onset

Alport syndrome, where glomeruli and tubules respond differently to mutant collagen IV protomers. Alport Syndrome Workshop 2019, Siena, Italy.

### **Conference and Seminar**

7th Scientific Conference << Quality Assurance in Clinical Laboratory - The Role of Medical Laboratory Technologist. May 31, 2013 ATHENS (Greece)

26th Greece Hematology Conference. November 14, 2015 ATHENS (Greece)

6th Greece Conference of the Hellenic Society of Medical Mycology on: Diagnosis and treatment of fungal infections. November 22, 2015 ATHENS (Greece)

International Conference on Bio-Medical Instrumentation and Related Engineering and Physical Sciences Department of Biomedical Engineering, Technological Educational Institute of Athens June 18-20, 2015 ATHENS (Greece)

19th Golden Helix Pharmacogenomics Day. November 4, 2017 NICOSIA, (CYPRUS)

6th International Conference of the Cyprus Society of Human Genetics. November 24-25, 2017 NICOSIA, (CYPRUS)

7th International Conference of the Cyprus Society of Human Genetics. December 7-8, 2018 NICOSIA, (CYPRUS)

2019 International Workshop on Alport Syndrome, Siena, Italy. The Workshop preoccupied on diagnosis, genetics and gene editing; basic science; and clinical care with clinical trials. Credits for Professional Development Total 16
