

Football

Football is the best known and most popular team sport in Cyprus. Our new outdoor sport facilities at the University Campus include a new, synthetic grass pitch.

During the last four academic years, our new facilities hosted the inaugural National Universities Football Championship of the Cyprus University Sports Federation (C.U.S.F)

Various championships and tournaments for men and women take place throughout the year, with the participation of the entire University community.

No athlete who registers to join one team can join another team in the same league, even if their initial team withdraws from the League.

A complete record of the participating teams is announced as soon as the registration is completed. The way the league is formed depends on the total amount of participating teams.

Mondays, Tuesdays, Wednesdays and Thursday nights have been set as playing days therefore the Sports Center may decide on additional days if required.

The champion team is awarded a Cup while all footballers of the top three teams will receive medals.

Games will be judged by Cyprus Football Association (CFA) referees.
