**SALL**

# The SALL Methodology

Workshop – Nov 2022

Welcome!

Let's break the ice!

# Agenda

- Presentation 15 minutes
- Let's prototype! 25 minutes
- Wrap up 15 minutes

# Main goals

- Learning and/or deepen SALL methodology;
- To share wishes and doubts;
- Understand and use prototyping practice;
- Meeting actors involved in SALL projects;
- Speak about examples of SALL projects.

# Framework

## During the next hour:

- Feel free to express every thoughts, this is a safe space!
- Respect each other interventions without judgment
- Don't interrupt your colleagues
- Be here, be present
- Be curious and actively listen

Would you like to share another rule?

Please!!

# SALL methodology : 3 pillars

1 **Real issue**, real solution, making use of the participants' personal experience

2 **Co-creation**, involving all impacted societal actors

3 **Quick prototyping**, with ideas immediately put in practice and tested.

# Living Lab cycle : 4 steps

## Co-creation

Select issues, identify needs and produce a wide range of ideas.

## Evaluation

Validate, discuss, improve or dismiss the solutions.

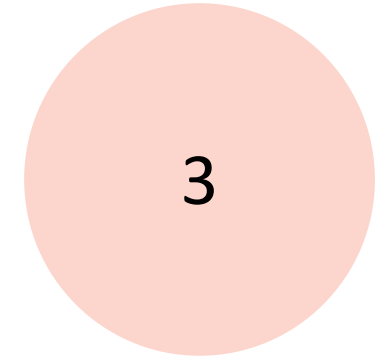

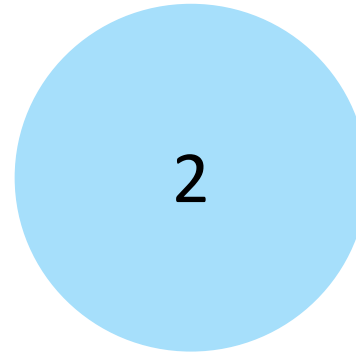

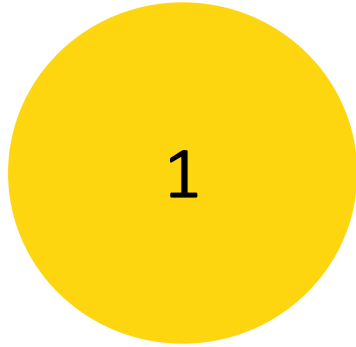

## Exploration

Turns ideas into use case scenarios and prototype, explore opportunities.

## Experimentation

Test in real-life situations.

How to answer these problematics in a concrete way

**2 parameters will be imposed :**

- One specific partnership
- One type of event/place/etc...

**Real Case Study: Let's prototype a solution!**

# The prototype

*Concrete actions, events,  
services, workshops,  
stakeholders interactions...*

*Be creative on how presenting  
them!*
